The presentation is available on the BEACON Website.</p> <p>Board Members Comments:</p> <p>Member Gama:</p> <ul style="list-style-type: none"> • Member Meyer asked if there is a location where the public can find more information about the CHNMS. • Paul Mechel responded that the public website is chumashheritage.noaa.gov and will be updated with Advisory Council information. Community announcements will also be distributed through local media. • Marc Beyeler confirmed they would post the link on the BEACON website. • Member Gama asked about shipping risks in the Channel and how they are managed. • Paul Michel described NOAA's process of working with the Coast Guard to monitor shipping lane compliance, enforce penalties for sinking incidents (citing a precedent involving a football-field-sized dry dock that sank in Monterey Bay), and the planned whale slow-speed zone rulemaking. • Chair Friedman asked how the sanctuary will deal with the potential issuance of new offshore oil and gas leases? • Paul Michel responded that any new oil and gas activities within the sanctuary would require a sanctuary permit or authorization. NOAA has a "seat at the table" through consultation requirements under Section 304(d) of the National Marine Sanctuaries Act. Existing permitted operations are grandfathered with "donut hole" exemptions, similar to treatment in the Gulf of Mexico's Flower Garden Banks Sanctuary. Decommissioning activities would also involve NOAA. • Chair Friedman thanked Paul Michel and Carolina Behe and suggested making the CHNMS update an annual report to the BEACON Board. • Paul Michel expressed willingness to return in approximately one year. <p>Public Comments:</p> <ul style="list-style-type: none"> • None.

Actions:	<p>Project, history and current status followed by a presentation by Matt Maechler, Principal Civil Engineer at the City of Ventura.</p> <p>Board Members Comments:</p> <ul style="list-style-type: none">• Member Smith asked if the Public Art elements of the project were voluntary or through a City policy?• Marc Beyeler responded that it was through City policy.• Member Halter applauded the report and indicated he walks the project site every Friday with a representative of the Land Trust, and he sees that there are lot of people enjoying the area. He also added that regarding public art, the City of Ventura is very serious about installing art in all CIP projects.• Member LaVere indicated that Phase 1 of the project is great and that Phase 2 looks very good too. He asked when there would be a Ribbon Cutting Ceremony?• Mat Maechler indicated that they were potentially looking for a date in March 2026.• Member Lopez asked about parking fee issues.• Matt Maechler indicated that there have been some problems but that the City is working with Fairground regarding parking fees.• Member Gama indicated that he spent a lot of time at Surfers Point in the 1970's. He asked that when the Matilija Dam comes down, would the huge amount of sediment benefit the Surfers Point site?• Matt Maechler indicated that it would definitely be a benefit to the beach at Surfers Point.• Member Gama asked if Surfers get special treatment at the Surfers Point Parking Lot?• Matt Maechler indicated that Surfers Point serves a multitude of activities and the parking is certainly greatly improved compared to pre-project.• Marc Beyeler indicated that the Fairgrounds are trying to come up with a reasonable cost for parking, especially as an annual pass and parking for special events is additional.• Member Gama asked if there is a process for Surfers to do a surf check without having to park?• Matt Maechler indicated that most Surfers do their check before they reach the parking kiosk. <p>Public Comments:</p> <ul style="list-style-type: none">• Paul Jenkins from Surf Riders thanked BEACON for its involvement in both the Surfers Point Project and the Matilija Dam Project. The project has taken 30 years to implement but we are now at the finish line thanks to BEACON, the City and other agencies. Paul also thanks Bob Batalio for putting his Engineering License on a project that had never been done before, and the managed retreat has worked.at Surfers Point.

PLACE: IN-PERSON IN CARPINTERIA & TELECONFERENCE

Item	5A	BEACON Organization and Program Board Members Reports
Minutes/ Actions:		<p>Board Members Comments:</p> <ul style="list-style-type: none"> • Member Halter Highlighted a series of environmental and conservation accomplishments in Ventura, including: the Surfers Point managed retreat project; a Trust for Public Land purchase of over 5,000 acres; the Harmon Canyon and Mariano Ranch land trusts; Petrochem site cleanup and 20-year river restoration commitment; Ventura Botanical Gardens stormwater and climate-appropriate planting efforts; ongoing collaboration along the Ventura River with Channel Keepers; removal of an Edison discharge to a location one mile offshore (operational as of December 30); and expanding regional bike trail connectivity from Ventura to Santa Barbara, Ojai, and soon Peru (along the river/rail corridor). • Member Lopez reported on Channel Islands Harbor dredging. An off-cycle dredging event began in October 2025 and was completed approximately one and a half weeks prior to the meeting, removing 1.6 million cubic yards of sand. Regular-cycle dredging is expected to resume in October 2026 through February 2027. The Army Corps of Engineers is also undertaking a dune habitat restoration project associated with the dredging that has received significant community attention; a community meeting is expected in the coming weeks. • Member Capps reported that portions of Goleta County Beach will be temporarily closed beginning the following week for storm damage operations and sediment beach nourishment, expected to last 3–4 weeks. She attributed the need to the wettest year on record in Santa Barbara County. • Member Gama added comments on the Channel Islands dredging, noting that for the first time in a long time, the dredging contractor exceeded its goals significantly — in this off-cycle, they removed more than half of what is typically removed in a full two-year cycle. He attributed successes due to BEACON in part to the organization's willingness to learn from past mistakes and apply good science. • Chair Friedman reported that Santa Barbara Harbor is currently being dredged, using remaining funds from the prior cycle. However, federal funding for future dredging cycles is not yet secured. He also reported that Santa Barbara Airport is undergoing a climate adaptation planning process, with a preview presented to the Airport Commission the previous Wednesday. The plan addresses flooding, environmental issues, and bird strikes, with sea level rise projections extending to 2090, and includes near-term, 5–20 year, and long-range planning horizons. <p>Public Comments:</p> <ul style="list-style-type: none"> • None.

Item	5B	BEACON Board Actions and Financial Reports <i>Recommended Action:</i> Receive and file the attached Fiscal Year 2025-2026 Budget-to-Actual financial report for the year-to-date period ending December 31, 2025 (Exhibit I).

BEACON BOARD OF DIRECTORS' MEETING MINUTES FOR

DATE: Friday, January 23, 2026

TIME: 9:00 AM

PLACE: IN-PERSON IN CARPINTERIA & TELECONFERENCE

Minutes/ Actions:	<p>The Executive Director presented the FY 2025-2026 Budget-to-Actual financial report for the period ending December 31, 2025.</p> <p>Key points:</p> <ul style="list-style-type: none"> • BEACON's budget has two components: an operational budget funded by member dues, and a grants budget leveraged using operational funds. • Four multi-year grants are currently outstanding. • Dues collection is tracked quarterly with the Ventura County Auditor-Controller's Office (fiscal agent); the goal is to collect dues in the first two quarters of each fiscal year. As this time, all member agencies are expected to have paid dues within the current calendar month. • BEACON's bank balance exceeds \$500,000, more than tripling since the Executive Director's tenure began (from approximately \$150,000), providing approximately one to two years of operational reserves. • Staffing challenges persist: a six-month recruitment process for an administrative/grants staff position ended when the selected candidate withdrew. Science and GIS staffing have been more successful; administrative staffing remains difficult at part-time compensation levels. • BEACON successfully negotiated a cash advance from a grantor on one project — an uncommon achievement — demonstrating the agency's financial credibility with state partners. • Recently completed grants include a Coastal Conservancy grant on integrated governance for coastal adaptation. • The RCAMP grant, a new three-year grant, is now underway. <p>Public Comments:</p> <ul style="list-style-type: none"> • None. <p>No action required. Board received and filed the financial report.</p>

Item	5C	<p>BEACON Budget Actions <i>Recommended Action:</i> Coastal Access Data Research Project. Approve and authorize the Chair to execute Amendment No. 3 with Nate Merrill/Matunuck Research, to provide scientific and technical services supporting coastal and beach access planning to extend the period of performance three months with a revised ending date of June 30, 2026, without an increase in the total funding amount of \$75,000 (Attachment No. 1).</p>
Minutes/ Actions:	<p>The Executive Director presented Amendment No. 3, correcting a clerical error in the contract end date from a prior amendment. The amendment extends the period of performance by three months to June 30, 2026, with no change in scope or total funding amount (\$75,000). As reminder, Nate Merrill is a preeminent expert in coastal access data methods and was previously assigned to this project as a U.S. EPA employee. Following his</p>

The Summit serves to mobilize stakeholders and engage state and federal representatives on dredging finance. • Congressional funding for dredging is not automatic — it requires annual Congressional approval, which has proven difficult year to year. • Santa Barbara Harbor did not receive approximately \$3 million in federal authorization for FY 2026-27. • Congressman Brownlee secured approximately \$12 million for Ventura Harbor and Channel Islands Harbor for the coming year, though that amount may not fully cover needs. • BEACON's three harbors (Santa Barbara, Ventura, Channel Islands) all affect sediment management and sandy beach preservation. Each has a different dredging frequency: Santa Barbara dredges twice yearly; Ventura annually; Channel Islands Harbor every two years. • The next Sand Summit will be scheduled around the March Board meeting. • Completed Grants and Project Updates <ul style="list-style-type: none"> ➤ The Coastal Conservancy grant on integrated governance for sediment management and coastal adaptation has been completed. ➤ Projects in progress or recently supported by BEACON include: <ul style="list-style-type: none"> ➤ Goleta Beach nourishment and ongoing restoration ➤ Santa Barbara East Beach — systemic nourishment approach ➤ Isla Vista living shoreline dune pocket project ➤ Carpinteria living shoreline and shoreline management plan (currently funded)

Agenda Item: 3

To: BEACON Board of Directors
From: Executive Director
Date: May 15, 2026

Subject: Presentation on Harbor Dredging, Federal Funding, and Beach Nourishment

RECOMMENDED ACTION:

Receive presentations from Santa Barbara, Ventura, and Channel Island harbors on the status of harbor dredging, beach nourishment, and federal funding.

DISCUSSION:

Receive presentations from Santa Barbara Harbor, Mike Wiltshire - Waterfront Director Harbor Master, Ventura Harbor, John Higgins - Harbor Master, and Channel Island Harbor, Michael Tripp, Director, on the status of harbor dredging, beach nourishment, and federal funding.

Maintenance of local beaches with beach nourishment in the Santa Barbara Littoral Cell at our local area beaches requires periodic and regular harbor dredging at three harbor locations in Santa Barbara, Ventura and Channel Islands. Each of the three harbors require federal funding to support the operation and maintenance of federal navigation channels.

Securing adequate federal funding has proven to be difficult in the current circumstance of available federal funding. While adequate funding has been provided for the 2026 federal fiscal year, the President's proposed budget for FY 2027 contains no funding for harbor dredging in our region. BEACON has supported full federal funding for all three harbor projects. Each individual harbor is on a separate dredging schedule, with Santa Barbara Harbor dredged twice a year, Ventura Harbor dredged once annually, and the Channel Islands Harbor Sand Trap and navigation channel dredged every other year.

In the most recent cycle, the dredging of Channel Islands Harbor had to be scheduled for 2025 and 2026. The dredging resumed in October 2025 through January 2026 because the dredge was only able to mover 885,000 cubic yards during the 24-25 dredging operation. An additional 1.6 million cubic yards were dredged from the CIH sand trap and placed on Hueneme Beach. The dredge will

return again in October 2026. Current plans include a return to biennial dredging, depending on available federal funding.

Harbor Representatives will review current available funding for FY 2026 as well as proposed future funding shortfalls starting in 2027. BEACON has provided support letters for full federal funding for local dredging

RECOMMENDED ACTIONS:

- i. Receive a Staff Report on Special Projects Staff; and
- ii. Adopt Resolution 2026-1 appointing Brian Brennan as Special Projects Volunteer Staff for a period up to June 30, 2027 (Exhibit I).

DISCUSSION:

Mr. Brennan possesses unique knowledge and understanding of the projects and has extensive experience working with project partners that is invaluable in successfully completing the projects. In order to continue BEACON implementation actions, BEACON staff require the assistance of Mr. Brennan.

For the past four years, Mr. Brennan has provided expert assistance to BEACON. Since 2021, Mr. Brennan has served as volunteer staff advisor to BEACON. For more than a decade, up until May 2020, Brian Brennan served as BEACON's Executive Director and was involved in several important continuing BEACON projects.

Mr. Brennan requires access to the full range of project communications. Without a formal appointment, however, Mr. Brennan does not have full access to BEACON project documents and internal communications. In order to be effective in providing assistance,

It is the desire of BEACON Executive Director to continue Mr. Brennan's involvement in certain BEACON projects to assist BEACON staff on essential project tasks for a period until June 30, 2027. BEACON executive staff is recommending the BEACON Board appoint Mr. Brennan as a Special Projects Staff (Exhibit 1).

Sand Summit

On April 16, 2026, Beacon coordinated the 2026 Ventura Sand Summit, a remote information sharing and exchange opportunity held annually for the past six years. The Sand Summit brings together several dozen representatives of regional harbors, the US Army Corps of Engineers, the US Navy, local government decision-makers, community and environmental organizations, interested stakeholders, and members of the public.

Summit participants heard presentations from Santa Barabara Harbor, Ventura Harbor, Channel Islands Harbor, the US Army Corps of Engineers, Los Angeles District, and Naval Base Ventura County.

This year's Sand Summit also featured a presentation on Regional Shoreline Erosion of the Hueneme-Mugu coast by Dr. Jon Warrick from the Pacific Coastal and Marine Science Center of the United States Geological Survey (USGS). This part of the southern California is the most threatened from coastal erosion in the region. Dr. Warrick presented analysis from the historical and current data remote satellite data.

BEACON Science Advisory Committee 2026 Meeting

On Tuesday April 14th the BEACON Science Advisory Committee (SAC) met in Carpinteria City Council Chambers. The SAC was given a presentation on California's 2026 Coast and Ocean Assessment prepared by the California Ocean Science Trust on behalf of the California Ocean Protection Council. The presentation was given by Dr. Jill Harris, project lead. The Assessment is the first

in California to detail the condition of our coast and ocean resources across nearly 20 different assessment categories, including California’s sandy beaches. The

assessment was prepared by dozens of scientists and experts, including members of BEACON’s Science Advisory Committee. Information contained in the Assessment will inform BEACON’s own research activities over the next three to five years.

The SAC members also heard a report from BEACON’s science support staff regarding the draft 2026 Update to BEACON’s 2021 Science Research Agenda. The 2026 Update describes many research initiatives undertaken or supported by BEACON in the past five years, including BEACON’s Regional Coastal Adaptation Monitoring Program, RCAMP. SAC members were asked to review and comment on the draft update, which will be circulated first for public and stakeholder review and comment over the next couple of months, and further discussed at an upcoming manager-scientist meeting to be held in Fall/Winter 2026. BEACON staff welcome stakeholder and public review and comment of the draft.

Subject: BEACON Resolution for ASBPA

RECOMMENDED ACTION:

Adopt Resolution 2026-2, congratulating the American Shore and Beach Preservation Association (ASBPA) for 100 years of the best beach and coastal science and policy (Exhibit I).

DISCUSSION:

The American Shore and Beach Preservation Association (ASBPA) was founded in 1926 by individuals who recognized the need for an organized effort to combat erosion, a serious problem in many coastal areas. Experience had shown that long stretches of shore were affected, making protective efforts by individual property owners or small communities futile. The expertise required to design comprehensive programs of protection was lacking.

The founding members of the Association were active in persuading the Congress to enact legislation authorizing Federal sharing of the cost, first of erosion studies of specific problem areas and, later, of specific projects. Then, as now, this required data collection, research on coastal processes, and the development and the use of analytical techniques and hydraulic models (and, today, numerical models as well).

BEACON is a member of both the national ASBPA and California Chapter, CSBPA, and BEACON staff participate and contribute regularly at their annual conferences. The ASBPA and CSBPA provide a vital role in terms of lobbying, as well as policy and technical collaboration regarding coastal issues.

STAFF REPORT

Meeting Date: May 22, 2026
Agenda Item: 5C

To: BEACON Board of Directors
From: Executive Director
Date: May 15, 2026

Subject: BEACON Budget and Financial Actions

RECOMMENDATIONS:

- i. Approve Budget Modification:
Increase Travel \$5,000
Decrease Contingency \$5,000;
- ii. Adopt an increase to voting member assessments (membership dues) by up to 15% for Fiscal Year 2026-2027 to provide up to an additional \$59,694 in revenue. (Exhibit I) **(Requires unanimous approval (10/10 vote))**;
- iii. Upon approval of member assessments, review and approve the Recommended Fiscal Year 2026-2027 Budget (Exhibit II); and
- iv. Adopt the Budget Resolution 2026-2 (Exhibit III).

DISCUSSION:

Each year the BEACON Board of Directors (“Board”) adopts the annual BEACON budget, focused on the operations budget, supported by the annual dues assessments. The operations budget is exclusively funded out of annual member dues. The Board is being asked to approve a minor budget modification for the current year budget to support staff travel to BEACON meetings, workshops, and conferences.

As part of the annual operations budgeting BEACON staff present a recommendation to the BEACON Board regarding yearly member dues. In January 2026, the Board directed staff to present a range of dues and budget options. This year, BEACON staff are recommending that the Board again consider a range of dues increase to support increased funding for professional services and to support investments in Information Technology and Communications, administrative management, and project planning, including feasibility analysis, and design and engineering (Exhibit I).

BEACON staff have prepared the attached proposed budget options for the FY 2026-27 (Exhibit II). Four budget options are included for review, including no dues increase, as well as five, ten, and fifteen percent increases in BEACON’s dues

schedule. The staff is recommending the Board adopt up to the fifteen percent increase. The staff recommendation would allow the agency to continue to steadily and modestly increase its operational budget and its support for essential professional services and program operations.

In the opinion of the Executive Director, the principal constraining factor in maintaining and at all increasing BEACON's impact, is the need for additional professional services capacity. Current professional services consultant personnel total approximately two full-time staff. BEACON staff have achieved numerous results with very limited fiscal resources but has reached the agency's staffing and budgeting limits.

Every year upon adoption of the annual BEACON Budget, the BEACON Board adopts a Budget Resolution which sets out certain delegations to the Executive Director and to the Ventura County Auditor Controller's office, acting as Beacon's fiscal agent. Consistent with the adopted Budget Resolution, the Executive Director and the Auditor-Controller's office can make certain budget adjustments in order to address real time budget and financial requirements. BEACON staff recommend that the Board adopt the proposed Budget Resolution (Exhibit III).

DISCUSSION:

Operational Professional and Technical Services Agreements

BEACON supports its operational needs through a series of annual contracts and agreements for specialist services. BEACON staff is recommending that the Board approve a set of contracts and agreements that support the annual operations of BEACON. All BEACON organizational staff and professional services are carried out by independent contractors through consultant agreements, or in the case of financial and legal services, under agreements with member agencies.

The important organizational agency and consultant agreements include BEACON's Executive Director, Program Manager, and essential specialist professional services, including a Public Information Specialist, a Science Specialist, agreements with Ventura County and Santa Barbara County, and an agreement for environmental technical services with California State University Channel Islands. BEACON staff are recommending the Board enter into these multiple agreements to support organizational and program activities and to provide essential administrative, budget, financial, legal support, and program services for the coming year (Exhibit 1: Beacon Organization). Staff are also pursuing a new independent contractor agreement with an Administrative and Grants Specialist. Staff have not finalized selection of the contractor, and requests that the Board authorize the Executive Director to approve the agreement once selection is finalized, upon review and approval by counsel.

Program and Project Professional and Technical Services Contracts

In addition to the operational services agreements, BEACON engages with other specialists to support its project and program activities, including research, planning, development, and implementation activities. BEACON is currently involved in projects to address improvements in beach access planning, regional monitoring, ecological assessment, and expanded regional sediment management to support regional sandy beaches.

Coastal and Beach Access Research Program: BEACON is supporting multiple activities addressing coastal and beach access, including research and program planning using its own funds and funding from others. One of BEACON’s important activities is developing current data on beach use and coastal access. BEACON is assisted in developing coastal access data by Mr. Nathaniel Merrill of Matunuck Research. Formerly, Mr. Merrill was employed by the US EPA assigned to help BEACON with these efforts. Upon his discharge from federal service, BEACON engaged Mr. Merrill to continue to assist BEACON with these research and program planning efforts.

The other service contract is for a pilot demonstration project for real-time observation camera(s) at one or two local area beaches, Ventura Surfers Point and Carpinteria City Beach. The cameras will record shoreline physical conditions, including shoreline position and sand and beach morphology. The cameras can also record beach use, both in the water and in the adjacent coast. The purpose of the pilot is to document what coastal and beach access information can be obtained and how best the results can be used by local BEACON member agencies and collaborating agencies to improve beach management. The experience, needed resources, and resulting data and findings will be shared with regional agency managers and decision-makers. The information from SCI is strictly limited by the purchase agreement/order form, but the derived data and products to be released to BEACON in staff’s opinion are very likely to be valuable additions to existing coastal and beach access datasets available to BEACON. The agreement contains terms allowing SCI to publicize its work with BEACON. Staff believe this to be an acceptable term in the agreement with SCI.

Furthermore, BEACON shall have no right to control, supervise, or direct the manner or method by which CONTRACTOR shall perform its work and function. However, BEACON shall retain the right to administer this Agreement so as to verify that CONTRACTOR is performing its obligations in accordance with the terms and conditions hereof. CONTRACTOR shall be solely liable and responsible for providing to, or on behalf of, its employees all legally-required employee benefits. In addition, CONTRACTOR shall be solely responsible and save BEACON harmless from all matters relating to payment of CONTRACTOR's employees, including compliance with Social Security withholding and all other regulations governing such matters. It is acknowledged that during the term of this Agreement, CONTRACTOR may be providing services to others unrelated to the BEACON or to this Agreement.

Accordingly, CONTRACTOR shall perform all such services in the manner and according to the standards observed by a competent practitioner of the same profession in which CONTRACTOR is engaged. All products of whatsoever nature which CONTRACTOR delivers to BEACON pursuant to this Agreement shall be prepared in a professional and workmanlike manner and shall conform to the standards of quality normally observed by a person practicing in CONTRACTOR's profession. CONTRACTOR certifies that it shall not contract with a subcontractor that is so debarred or suspended.

9. **TAXES.** CONTRACTOR shall pay all taxes, levies, duties, and assessments of every nature due in connection with any work under this Agreement and shall make any and all payroll deductions required by law. BEACON shall not be responsible for paying any taxes on CONTRACTOR's behalf and, should BEACON be required to do so by State, federal, or local taxing agencies, CONTRACTOR agrees to promptly reimburse BEACON for the full value of such paid taxes plus interest and penalty, if any. These taxes shall include, but not be limited to, the following: FICA (Social Security), unemployment insurance contributions, income tax, disability insurance, and workers' compensation insurance. CONTRACTOR shall provide its social security number or tax identification number to BEACON, which BEACON shall keep on file at its offices.

CONTRACTOR further covenants that in the performance of this Agreement, no person having any such interest shall be employed by CONTRACTOR. CONTRACTOR must promptly disclose to BEACON, in writing, any potential conflict of interest. BEACON retains the right to waive a conflict of interest disclosed by CONTRACTOR if BEACON determines it to be immaterial, and such waiver is only effective if provided by BEACON to CONTRACTOR in writing.

11. **OWNERSHIP OF DOCUMENTS AND INTELLECTUAL PROPERTY.** BEACON shall be the owner of the following items incidental to this Agreement upon production, whether or not completed: all data collected, all documents of any type whatsoever, all photos, designs, sound or audiovisual recordings, software code, inventions, technologies, and other materials, and any material necessary for the practical use of such items from the time of collection and/or production whether or not performance under this Agreement is completed or terminated prior to completion. CONTRACTOR shall not release any of such items to other parties, except after prior written approval of BEACON.

Unless otherwise specified in Exhibit A, CONTRACTOR hereby assigns to BEACON all copyright, patent, and other intellectual property and proprietary rights to all data, documents, reports, photos, designs, sound or audiovisual recordings, software code, inventions, technologies, and other materials prepared or provided by CONTRACTOR pursuant to this Agreement (collectively referred to herein as "Copyrightable Works and Inventions").

BEACON shall have the unrestricted authority to copy, adapt, perform, display, publish, disclose, distribute, create derivative works from, and otherwise use in whole or in part, any Copyrightable Works and Inventions reports, data, documents or other materials prepared under this Agreement. CONTRACTOR agrees to take such actions and execute and deliver such documents as may be needed to validate, protect and confirm the rights and assignments provided hereunder. CONTRACTOR warrants that any Copyrightable Works and Inventions and other items provided under this Agreement will not infringe upon any intellectual property or proprietary rights of any third party. CONTRACTOR at its own expense shall defend, indemnify, and hold harmless BEACON against any claim that any Copyrightable Works or Inventions or other items provided by CONTRACTOR hereunder infringe upon any intellectual property or other proprietary rights of a third party, and CONTRACTOR shall pay any damages, costs, settlement amounts, and fees (including attorneys' fees) that may be incurred by BEACON in connection with any such claims. This Ownership of Documents and Intellectual Property provision shall survive expiration or termination of the Agreement.

12. **NO PUBLICITY OR ENDORSEMENT.** CONTRACTOR shall not use BEACON's name or logo or any variation of such name or logo in any publicity, advertising or promotional materials, unless otherwise required. CONTRACTOR shall not use BEACON's name or logo in any manner that would give the appearance that the BEACON is endorsing CONTRACTOR. CONTRACTOR shall not in any way contract on behalf of or in the name of BEACON's. CONTRACTOR shall not release any informational pamphlets, notices, press releases, research reports, or similar public notices concerning the BEACON or its projects without obtaining the prior written approval of BEACON.

13. **BEACON PROPERTY AND INFORMATION.** All of BEACON's property, documents, and information provided for CONTRACTOR's use in connection with the services shall remain BEACON's property, and CONTRACTOR shall return any such items whenever requested by BEACON and whenever required according to the Termination section of this Agreement. CONTRACTOR may use such items only in connection with providing the services. CONTRACTOR shall not disseminate any BEACON property, documents, or information without BEACON prior written consent.

14. **RECORDS, AUDIT, AND REVIEW.** CONTRACTOR shall keep such business records pursuant to this Agreement as would be kept by a reasonably prudent practitioner of CONTRACTOR's profession and shall maintain such records for at least four (4) years following the termination of this Agreement. All accounting records shall be kept in accordance with generally accepted accounting practices. BEACON shall have the right to audit and review all such documents and records at any time during CONTRACTOR's regular business hours or upon reasonable notice. In addition, if this Agreement exceeds ten thousand dollars (\$10,000.00) CONTRACTOR shall be subject to the examination and audit of the State Auditor General for a period of three (3) years after final payment under the Agreement (Cal. Govt. Code Section

8546.7). CONTRACTOR shall participate in any audits and review, whether by BEACON or the State, at no charge to BEACON.

If federal, state or other regulatory audit exceptions are made relating to this Agreement, CONTRACTOR shall reimburse all costs incurred by BEACON associated with defending against the audit exceptions or performing any audits or follow-up audits, including but not limited to: audit fees, court costs, attorneys' fees based upon a reasonable hourly amount for attorneys in the community, travel costs, penalty assessments and all other costs of whatever nature. Immediately upon notification from BEACON, CONTRACTOR shall reimburse the amount of the audit exceptions and any other related costs directly to BEACON as specified by BEACON in the notification.

15. **INDEMNIFICATION AND INSURANCE.** CONTRACTOR agrees to defend, indemnify and hold harmless the BEACON and to procure and maintain insurance in accordance with the provisions of Exhibit C, attached hereto and incorporated herein by reference.

16. **NONDISCRIMINATION.** CONTRACTOR shall comply with Title VI of the Civil Rights Act of 1964, as amended, and with the provisions contained in Title 49, Code of Federal Regulations (CFR), Part 21 through Appendix C and 23 CFR 710.405(b). During the performance of this Agreement, the CONTRACTOR, for itself, its assignees and successors in interest agrees as follows:

- A. **Compliance with Regulations.** CONTRACTOR shall comply with the regulations relative to nondiscrimination in federally-assisted programs of the Department of Transportation (hereinafter, "DOT") 49 CFR Part 21, as they may be amended from time to time (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Agreement.
- B. **Nondiscrimination.** The CONTRACTOR or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The CONTRACTOR shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as recipient deems appropriate. CONTRACTOR, with regard to the work performed by it during the agreement, shall not discriminate on the grounds of race, religion, color, sex, age or national origin in the selection or retention of subcontractors, including procurement of materials and leases of equipment. CONTRACTOR shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the regulations.
- C. **Solicitations for Subcontractors, including Procurement of Materials and Equipment.** In all solicitations either by competitive bidding or negotiations made by

CONTRACTOR for work to be performed under the subcontract, including procurement of materials or leases of equipment, each potential subcontractor or supplier shall be notified by CONTRACTOR of CONTRACTOR's obligations under this agreement, and the Regulations relative to nondiscrimination on the grounds of race, religion, color, sex, age or national origin.

- D. **Information and Reports.** CONTRACTOR shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information and its facilities as may be determined by BEACON to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a CONTRACTOR is in the exclusive possession of another who fails or refuses to furnish this information, CONTRACTOR shall so certify to BEACON, and shall set forth what efforts it has made to obtain the information.
- E. **Sanctions for Noncompliance.** In the event of CONTRACTOR's noncompliance with the nondiscrimination provisions of this Agreement, BEACON shall impose such contract sanctions as it may determine to be appropriate, including, but not limited to:
1. Withholding of payments to CONTRACTOR under this Agreement until CONTRACTOR complies, and/or
 2. Cancellation, termination or suspension of the Agreement in whole or in part.

17. **NON-EXCLUSIVE AGREEMENT.** CONTRACTOR understands that this is not an exclusive agreement and that BEACON shall have the right to negotiate with and enter into contracts with others providing the same or similar services as those provided by CONTRACTOR as the BEACON desires.

18. **NON-ASSIGNMENT.** CONTRACTOR shall not assign, transfer or subcontract this Agreement or any of its rights or obligations under this Agreement without the prior written consent of BEACON and any attempt to so assign or so subcontract or transfer without such consent shall be void and without legal effect and shall constitute grounds for termination.

19. **TERMINATION.**

- A. **By BEACON.** BEACON may, by written notice to CONTRACTOR, terminate this Agreement in whole or in part, whether for BEACON's convenience, for non-appropriation of funds, or because of the failure of CONTRACTOR to fulfill the obligations herein.
1. **For Convenience.** BEACON may terminate this Agreement in whole or in part upon thirty (30) days written notice. During the thirty (30) day period, CONTRACTOR shall, as directed by BEACON, wind down and cease its

services as quickly and efficiently as reasonably possible, without performing unnecessary services or activities and by minimizing negative effects on BEACON from such winding down and cessation of services.

2. **For Nonappropriation of Funds.** Notwithstanding any other provision of this Agreement, in the event that no funds or insufficient funds are appropriated or budgeted by federal, state or local governments, or funds are not otherwise available for payments in the fiscal year(s) covered by the term of this Agreement, then BEACON will notify CONTRACTOR of such occurrence and BEACON may terminate or suspend this Agreement in whole or in part, with or without a prior notice period. Subsequent to termination of this Agreement under this provision, BEACON shall have no obligation to make payments with regard to the remainder of the term.
 3. **For Cause.** Should CONTRACTOR default in the performance of this Agreement or materially breach any of its provisions, BEACON may, at BEACON's sole option, terminate or suspend this Agreement in whole or in part by written notice. Upon receipt of notice, CONTRACTOR shall immediately discontinue all services affected (unless the notice directs otherwise) and notify BEACON as to the status of its performance. The date of termination shall be the date the notice is received by CONTRACTOR, unless the notice directs otherwise.
- B. **By CONTRACTOR.** Except where BEACON withholds payment pursuant to other terms of this Agreement, should BEACON fail to pay CONTRACTOR all or any part of the payment set forth in Exhibit B, CONTRACTOR may, at CONTRACTOR's option, terminate this agreement, if such failure is not remedied by BEACON within thirty (30) days of written notice to BEACON of such late payment.
- C. **Upon termination,** CONTRACTOR shall deliver to BEACON all data, estimates, graphs, summaries, reports, and all other property, records, documents or papers as may have been accumulated or produced by CONTRACTOR in performing this Agreement, whether completed or in process, except such items as BEACON may, by written permission, permit CONTRACTOR to retain. Notwithstanding any other payment provision of this Agreement, BEACON shall pay CONTRACTOR for satisfactory services performed to the date of termination to include a prorated amount of compensation due hereunder less payments, if any, previously made. In no event shall CONTRACTOR be paid an amount in excess of the full price under this Agreement nor for profit on unperformed portions of service. CONTRACTOR shall furnish to BEACON such financial information as in the judgment of BEACON is necessary to determine the reasonable value of the services rendered by CONTRACTOR. In the event of a dispute as to the reasonable value of the services rendered by

CONTRACTOR, the decision of BEACON shall be final. The foregoing is cumulative and shall not affect any right or remedy which BEACON may have in law or equity.

20. **SECTION HEADINGS.** The headings of the several sections, and any table of contents appended hereto, shall be solely for convenience of reference and shall not affect the meaning, construction or effect hereof.

21. **SEVERABILITY.** If any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions hereof, and such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

22. **REMEDIES NOT EXCLUSIVE.** No remedy herein conferred upon or reserved to BEACON is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

23. **TIME IS OF THE ESSENCE.** Time is of the essence in this Agreement and each covenant and term is a condition herein.

24. **NO WAIVER OF DEFAULT.** No delay or omission of BEACON to exercise any right or power arising upon the occurrence of any event of default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Agreement to BEACON shall be exercised from time to time and as often as may be deemed expedient in the sole discretion of BEACON.

25. **ENTIRE AGREEMENT AND AMENDMENT.** In conjunction with the matters considered herein, this Agreement contains the entire understanding and agreement of the parties and there have been no promises, representations, agreements, warranties or undertakings by any of the parties, either oral or written, of any character or nature hereafter binding except as set forth herein. This Agreement may be altered, amended or modified only by an instrument in writing, executed by the parties to this Agreement and by no other means. Each party waives their future right to claim, contest or assert that this Agreement was modified, canceled, superseded, or changed by any oral agreements, course of conduct, waiver or estoppel.

26. **SUCCESSORS AND ASSIGNS.** All representations, covenants and warranties set forth in this Agreement, by or on behalf of, or for the benefit of any or all of the parties hereto, shall be binding upon and inure to the benefit of such party, its successors and assigns.

27. **COMPLIANCE WITH LAW.** CONTRACTOR shall, at its sole cost and expense, comply with all BEACON, State and Federal ordinances and statutes, including regulations now in force or which may hereafter be in force with regard to this Agreement. The judgment of any

court of competent jurisdiction, or the admission of CONTRACTOR in any action or proceeding against CONTRACTOR, whether BEACON is a party thereto or not, that CONTRACTOR has violated any such ordinance statute, or regulation, shall be conclusive of that fact as between CONTRACTOR and BEACON.

28. **CALIFORNIA LAW AND JURISDICTION.** This Agreement shall be governed by the laws of the State of California. Any litigation regarding this Agreement or its contents shall be filed in the County of Santa Barbara, if in State court, or in the federal district court nearest to Santa Barbara County, if in federal court.

29. **EXECUTION OF COUNTERPARTS.** This Agreement may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original; and all such counterparts, or as many of them as the parties shall preserve undestroyed, shall together constitute one and the same instrument.

30. **AUTHORITY.** All signatories and parties to this Agreement warrant and represent that they have the power and authority to enter into this Agreement in the names, titles and capacities herein stated and on behalf of any entities, persons, or firms represented or purported to be represented by such entity(ies), person(s), or firm(s) and that all formal requirements necessary or required by any State and/or federal law in order to enter into this Agreement have been fully complied with. Furthermore, by entering into this Agreement, CONTRACTOR hereby warrants that it shall not have breached the terms or conditions of any other contract or agreement to which CONTRACTOR is obligated, which breach would have a material effect hereon.

31. **SURVIVAL.** All provisions of this Agreement which by their nature are intended to survive the termination or expiration of this Agreement shall survive such termination or expiration.

32. **PRECEDENCE.** In the event of conflict between the provisions contained in the numbered sections of this Agreement and the provisions contained in the Exhibits, the provisions of the numbered sections shall prevail over those in the Exhibits.

33. **SUSPENSION FOR CONVENIENCE.** BEACON may, without cause, order CONTRACTOR in writing to suspend, delay, or interrupt the services under this Agreement in whole or in part for up to 7 days. BEACON shall incur no liability for suspension under this provision and suspension shall not constitute a breach of this Agreement.

18. **NON-ASSIGNMENT.** CONTRACTOR shall not assign, transfer or subcontract this Agreement or any of its rights or obligations under this Agreement without the prior written consent of BEACON and any attempt to so assign or so subcontract or transfer without such consent shall be void and without legal effect and shall constitute grounds for termination.

19. **TERMINATION.**

A. **By BEACON.** BEACON may, by written notice to CONTRACTOR, terminate this Agreement in whole or in part, whether for BEACON's convenience, for non-appropriation of funds, or because of the failure of CONTRACTOR to fulfill the obligations herein.

1. **For Convenience.** BEACON may terminate this Agreement in whole or in part upon thirty (30) days written notice. During the thirty (30) day period, CONTRACTOR shall, as directed by BEACON, wind down and cease its services as quickly and efficiently as reasonably possible, without performing unnecessary services or activities and by minimizing negative effects on BEACON from such winding down and cessation of services.
 2. **For Nonappropriation of Funds.** Notwithstanding any other provision of this Agreement, in the event that no funds or insufficient funds are appropriated or budgeted by federal, state or local governments, or funds are not otherwise available for payments in the fiscal year(s) covered by the term of this Agreement, then BEACON will notify CONTRACTOR of such occurrence and BEACON may terminate or suspend this Agreement in whole or in part, with or without a prior notice period. Subsequent to termination of this Agreement under this provision, BEACON shall have no obligation to make payments with regard to the remainder of the term.

Upon receipt of notice, CONTRACTOR shall immediately discontinue all services affected (unless the notice directs otherwise) and notify BEACON as to the status of its performance. The date of termination shall be the date the notice is received by CONTRACTOR, unless the notice directs otherwise.
- B. **By CONTRACTOR.** Except where BEACON withholds payment pursuant to other terms of this Agreement, should BEACON fail to pay CONTRACTOR all or any part of the payment set forth in Exhibit B, CONTRACTOR may, at CONTRACTOR's option, terminate this agreement, if such failure is not remedied by BEACON within thirty (30) days of written notice to BEACON of such late payment.
- C. **Upon termination,** CONTRACTOR shall deliver to BEACON all data, estimates, graphs, summaries, reports, and all other property, records, documents or papers as may have been accumulated or produced by CONTRACTOR in performing this Agreement, whether completed or in process, except such items as BEACON may, by written permission, permit CONTRACTOR to retain. Notwithstanding any other payment provision of this Agreement, BEACON shall pay CONTRACTOR for satisfactory services performed to the date of termination to include a prorated amount of compensation due hereunder less payments, if any, previously made. In no event shall CONTRACTOR be paid an amount in excess of the full price under this Agreement nor for profit on unperformed portions of service. CONTRACTOR shall furnish to BEACON such financial information as in the judgment of BEACON is necessary to

determine the reasonable value of the services rendered by CONTRACTOR. In the event of a dispute as to the reasonable value of the services rendered by CONTRACTOR, the decision of BEACON shall be final. The foregoing is cumulative and shall not affect any right or remedy which BEACON may have in law or equity.

20. **SECTION HEADINGS.** The headings of the several sections, and any table of contents appended hereto, shall be solely for convenience of reference and shall not affect the meaning, construction or effect hereof.

21. **SEVERABILITY.** If any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions hereof, and such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

22. **REMEDIES NOT EXCLUSIVE.** No remedy herein conferred upon or reserved to BEACON is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

23. **TIME IS OF THE ESSENCE.** Time is of the essence in this Agreement and each covenant and term is a condition herein.

24. **NO WAIVER OF DEFAULT.** No delay or omission of BEACON to exercise any right or power arising upon the occurrence of any event of default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Agreement to BEACON shall be exercised from time to time and as often as may be deemed expedient in the sole discretion of BEACON.

25. **ENTIRE AGREEMENT AND AMENDMENT.** In conjunction with the matters considered herein, this Agreement contains the entire understanding and agreement of the parties and there have been no promises, representations, agreements, warranties or undertakings by any of the parties, either oral or written, of any character or nature hereafter binding except as set forth herein. This Agreement may be altered, amended or modified only by an instrument in writing, executed by the parties to this Agreement and by no other means. Each party waives their future right to claim, contest or assert that this Agreement was modified, canceled, superseded, or changed by any oral agreements, course of conduct, waiver or estoppel.

26. **SUCCESSORS AND ASSIGNS.** All representations, covenants and warranties set forth in this Agreement, by or on behalf of, or for the benefit of any or all of the parties hereto, shall be binding upon and inure to the benefit of such party, its successors and assigns.

27. **COMPLIANCE WITH LAW.** CONTRACTOR shall, at its sole cost and expense, comply with all BEACON, State and Federal ordinances and statutes, including regulations now in force or which may hereafter be in force with regard to this Agreement. The judgment of any court of competent jurisdiction, or the admission of CONTRACTOR in any action or proceeding against CONTRACTOR, whether BEACON is a party thereto or not, that CONTRACTOR has violated any such ordinance statute, or regulation, shall be conclusive of that fact as between CONTRACTOR and BEACON.

28. **CALIFORNIA LAW AND JURISDICTION.** This Agreement shall be governed by the laws of the State of California. Any litigation regarding this Agreement or its contents shall be filed in the County of Santa Barbara, if in State court, or in the federal district court nearest to Santa Barbara County, if in federal court.

29. **EXECUTION OF COUNTERPARTS.** This Agreement may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original; and all such counterparts, or as many of them as the parties shall preserve undestroyed, shall together constitute one and the same instrument.

30. **AUTHORITY.** All signatories and parties to this Agreement warrant and represent that they have the power and authority to enter into this Agreement in the names, titles and capacities herein stated and on behalf of any entities, persons, or firms represented or purported to be represented by such entity(ies), person(s), or firm(s) and that all formal requirements necessary or required by any State and/or federal law in order to enter into this Agreement have been fully complied with. Furthermore, by entering into this Agreement, CONTRACTOR hereby warrants that it shall not have breached the terms or conditions of any other contract or agreement to which CONTRACTOR is obligated, which breach would have a material effect hereon.

31. **SURVIVAL.** All provisions of this Agreement which by their nature are intended to survive the termination or expiration of this Agreement shall survive such termination or expiration.

32. **PRECEDENCE.** In the event of conflict between the provisions contained in the numbered sections of this Agreement and the provisions contained in the Exhibits, the provisions of the numbered sections shall prevail over those in the Exhibits.

33. **STOP WORK NOTICE.** Immediately upon receipt of a written notice from BEACON to stop work, the CONTRACTOR shall cease all work under this Agreement. In addition, BEACON may, without cause, order CONTRACTOR in writing to suspend, delay, or interrupt the services under this Agreement in whole or in part for up to 7 days. CONTRACTOR's indemnification obligation applies to BEACON's active as well as passive negligence but does not apply to BEACON's sole negligence or willful misconduct.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

CONTRACTOR shall notify BEACON immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

A. **Minimum Scope of Insurance**

Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.
2. **Automobile Liability:** ISO Form Number CA 00 01 covering any auto (Code 1), or if CONTRACTOR has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than \$1,000,000 per accident for bodily injury and property damage.

Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to BEACON.

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – BEACON, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR's insurance at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used).
2. **Primary Coverage** – For any claims related to this Agreement, the CONTRACTOR's insurance coverage shall be primary insurance as respects the BEACON, its officers, officials, employees, agents and volunteers. CONTRACTOR agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the BEACON has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the BEACON. BEACON may require the CONTRACTOR to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

7. **Verification of Coverage** – CONTRACTOR shall furnish BEACON with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by BEACON before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR's obligation to provide them. The CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. BEACON reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, BEACON has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by BEACON as a material breach of contract.
9. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that BEACON is an additional insured on insurance required from subcontractors.
10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:

 - ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
 - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the CONTRACTOR must purchase "extended reporting" coverage for a minimum of five (5) years after completion of contract work.
11. **Special Risks or Circumstances** – BEACON reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of BEACON to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of BEACON.

No rights or licenses are granted except as expressly and unambiguously set forth in this Agreement. Customer may (but is not obligated to) provide suggestions, comments or other feedback to Surflin

with respect to the Services (“Feedback”). Surflin acknowledges and agrees that all Feedback is provided “AS IS” and without warranty of any kind. Notwithstanding anything else, Customer shall, and hereby does, grant to Surflin a nonexclusive, worldwide, perpetual, irrevocable, transferable, sublicensable, royalty-free, fully paid up license to use and exploit the Feedback for any purpose. Nothing in this Agreement will impair Surflin’s right to develop, acquire, license, market, promote or distribute products, software or technologies that perform the same or similar functions as, or otherwise compete with any products, software or technologies that Customer may develop, produce, market, or distribute.

6. Fees; Payment; Pricing. Customer shall pay Surflin fees as set forth in each Order Form (“Fees”). Unless otherwise specified in an Order Form, all Fees shall be invoiced annually in advance and all invoices issued under this Agreement are payable in U.S. dollars within thirty (30) days from date of invoice. Past due invoices are subject to interest on any outstanding balance of the lesser of 1.5% per month or the maximum amount permitted by law. Customer shall be responsible for all taxes associated with the Services (excluding taxes based on Surflin’s net income). All Fees paid are non-refundable and are not subject to set-off. If Customer exceeds any user or usage limitations set forth on an Order Form, then (a) Surflin shall invoice Customer for such additional users or usage at the overage rates set forth on the Order Form (or if no overage rates are set forth on the Order Form, at Surflin’s then-current standard overage rates for such usage), in each case on a pro-rata basis from the first date of such excess usage through the end of the Order Form Initial Term or then-current Order Form Renewal Term (as applicable), and (b) if such Order Form Term renews (in accordance with the section entitled “Term; Termination”, below, such renewal shall include the additional fees for such excess users and usage. If an Order Form automatically renews under this Agreement, Surflin may increase the annualized price for each Service unit by no more than 8% for each Order Form Renewal Term. Discounts, credits and promotional pricing for the Order Form Initial Term do not apply to the Order Form Renewal Term.
7. Restrictions. Except as expressly set forth in this Agreement, Customer shall not (and shall not permit any third party to), directly or indirectly: (a) reverse engineer, decompile, disassemble, or otherwise attempt to discover the source code, object code, or underlying structure, ideas, or algorithms of the Services (except to the extent applicable laws specifically prohibit such restriction); (b) modify, translate, or create derivative works based on the Services; (c) copy, rent, lease, distribute, pledge, assign, or otherwise transfer or encumber rights to the Services; (d) use the Services for the benefit of a third party; (e) remove, obscure or otherwise alter any proprietary notices or labels from the Services or any portion thereof; (f) use the Services to build an application or product that is competitive with any Surflin product or service; (g) interfere or attempt to interfere with the proper working of the Services or any activities conducted on the Services; or (h) bypass any measures Surflin may use to prevent or restrict access to the Services (or other accounts, computer systems or networks connected to the Services). Customer is responsible for all of Customer’s activity in connection with the Service, including but not limited to providing access to Customer Data (as defined below). Customer (y) shall use the Services in compliance with all applicable law, and (z) shall not use the Services in a manner that violates any third party intellectual property, contractual or other proprietary rights.
8. Customer Data. For purposes of this Agreement, “Customer Data” shall mean any data, information or other material provided, uploaded, or submitted by Customer to Surflin or the Services in the course of using the Services. Customer shall retain all right, title and interest in and to the Customer Data, including all intellectual property rights therein. Customer acknowledges and agrees that Surflin does not desire to receive, and Customer represents and warrants that it will not provide Surflin with, any personal data or personally identifiable information (as such terms are defined under applicable data privacy laws) in connection with this Agreement. Customer, not Surflin, shall have sole responsibility for the accuracy, quality, integrity, legality, reliability, appropriateness, and intellectual property ownership or right to use of all Customer Data. Customer represents and warrants that it has all rights necessary to provide the Customer Data to Surflin as contemplated hereunder, in each case without any infringement, violation or misappropriation of any third party rights (including, without limitation, intellectual property rights and rights of privacy). Surflin shall use commercially reasonable efforts to maintain the security and integrity of the Services and the Customer Data. Surflin is not responsible to Customer for unauthorized access to Customer Data or the unauthorized use of the Services unless such access is due to Surflin’s gross negligence or willful misconduct. Customer is responsible for the use of the Services by any person to whom Customer has given access to the Services. Customer agrees and acknowledges that Customer Data may be irretrievably deleted if Customer’s account is ninety (90) days or more delinquent. Notwithstanding anything to the contrary, Customer acknowledges and agrees that Surflin may (a) internally use and modify (but not disclose) Customer Data for the purposes of (i) providing the Services to Customer (ii) training or improving artificial intelligence models, tools, technology or services and (iii) generating Aggregated De-Identified Data (as defined below), and (b) freely use, retain and make available Aggregated De-Identified Data for Surflin’s business purposes (including without limitation, for purposes of improving, testing, operating, promoting and marketing Surflin’s products and services). “Aggregated De-Identified Data” means data submitted to, collected by, or generated by Surflin in connection with Customer’s use of the Service, but only in aggregate, de-identified form which can in no way be linked specifically to Customer.
9. Confidentiality. For purposes of this Agreement, “Confidential Information” means all confidential information disclosed by a party and its affiliates (“Disclosing Party”) to the other party (“Receiving Party”), whether orally or in writing, that is designated as confidential or a reasonable person would consider confidential. Confidential Information includes all information concerning: the Disclosing Party’s customers and potential customers, past, present or proposed products, marketing plans, engineering and other designs, technical data, business plans, business opportunities, finances, research,

development, and the terms and conditions of this Agreement. Confidential Information does not include any information that (a) is or becomes generally known to the public without breach of any obligation owed to the Disclosing Party, (b) was known to the Receiving Party prior to its disclosure by the Disclosing Party without breach of any obligation owed to the Disclosing Party, (c) is received from a third party without breach of any obligation owed to the Disclosing Party, or (d) was independently developed by the Receiving Party. Except as expressly set forth in this Agreement, and to the fullest extent permitted by applicable law, the Receiving Party will: (i) protect the confidentiality of the Confidential Information of the Disclosing Party using the same degree of care that it uses to protect the confidentiality of its own confidential information of like kind, but in no event less than reasonable care, (ii) not use any Confidential Information of the Disclosing Party for any purpose outside the scope of this Agreement, (iii) not disclose Confidential Information of the Disclosing Party to any third party (except those third party service providers used by Surfline to provide some or all elements of the Services), and (iv) limit access to Confidential Information of the Disclosing Party to those of its and its affiliates' employees, contractors and agents who need such access for purposes consistent with this Agreement and who are subject to confidential obligations with the Receiving Party containing protections no less stringent than those herein. If the Receiving Party is compelled by law to disclose Confidential Information of the Disclosing Party, it shall provide the Disclosing Party with prior notice of such compelled disclosure (to the extent legally permitted) and reasonable assistance, at Disclosing Party's cost, if the Disclosing Party wishes to contest the disclosure.

10. **Third Party Integrations.** Customer acknowledges and agrees that (a) the Services may operate on, with or using application programming interfaces (APIs) and/or other services operated or provided by third parties (e.g., other vendors of Customer) ("Third Party Integrations"), (b) the availability and operation of the Services or certain portions thereof may be dependent on Surfline's ability to access such Third Party Integrations, and (c) Customer's failure to provide adequate access or any retraction of permissions relating to such Third Party Integrations may result in a suspension or interruption of the Services. Customer hereby represents and warrants that it has all rights, licenses, permissions and consents necessary to connect, use and access any Third Party Integrations that it integrates with the Services, and Customer shall indemnify, defend and hold harmless the Surfline for all claims, damages and liabilities arising out of Customer's use of any Third Party Integrations in connection with or through the Services, to the fullest extent permitted by law. Surfline cannot and does not guarantee that the Services shall incorporate (or continue to incorporate) any particular Third Party Integrations and does not make any representations or warranties with respect to Third Party Integrations. Customer is solely responsible for procuring any and all rights necessary for it to access Third Party Integrations (including any Customer Data or other information relating thereto) and for complying with any applicable terms or conditions thereof. Any exchange of data or other interaction between Customer and a third party provider is solely between Customer and such third party provider and is governed by such third party's terms and conditions.
11. **Term; Termination.** This Agreement shall commence upon the date of the first Order Form, and, unless earlier terminated in accordance herewith, shall last until the expiration of all Order Form Terms. For each Order Form, unless otherwise specified therein, the "Order Form Term" shall begin as of the effective date set forth on such Order Form, and unless earlier terminated as set forth herein, (a) shall continue for the initial term specified on such Order Form (the "Order Form Initial Term"), and (b) following the Order Form Initial Term, shall automatically renew for additional successive periods of equal duration to the Order Form Initial Term (each, a "Order Form Renewal Term") unless either party notifies the other party of such party's intention not to renew no later than thirty (30) days prior to the expiration of the Order Form Initial Term or then-current Order Form Renewal Term, as applicable. In the event of a material breach of this Agreement by either party, the non-breaching party may terminate this Agreement by providing written notice to the breaching party, provided that the breaching party does not materially cure such breach within thirty (30) days of receipt of such notice. Without limiting the foregoing, Surfline may suspend or limit Customer's access to or use of the Services if (y) Customer's account is more than sixty (60) days past due, or (z) Customer's use of the Services results in (or is reasonably likely to result in) damage to or material degradation of the Services which interferes with Surfline's ability to provide access to the Services to other customers; provided that in the case of subsection (z): (i) Surfline shall use reasonable good faith efforts to work with Customer to resolve or mitigate the damage or degradation in order to resolve the issue without resorting to suspension or limitation; (ii) prior to any such suspension or limitation, Surfline shall use commercially reasonable efforts to provide notice to Customer describing the nature of the damage or degradation; and (iii) Surfline shall reinstate Customer's use of or access to the Services, as applicable, if Customer remediates the issue within thirty (30) days of receipt of such notice. All provisions of this Agreement which by their nature should survive termination shall survive termination, including, without limitation, accrued payment obligations, ownership provisions, warranty disclaimers, indemnity and limitations of liability. For clarity, any Services provided by Surfline to Customer, including any assistance in exporting the Customer Data, shall be billable at Surfline's standard rates then in effect.
12. **Indemnification.** Each party ("Indemnitor") shall defend, indemnify, and hold harmless the other party, its affiliates and each of its and its affiliates' officers, agents, employees, contractors, directors, suppliers and representatives (collectively, the "Indemnitee") from all liabilities, claims, and expenses paid or payable to an unaffiliated third party (including reasonable attorneys' fees) ("Losses"), that arise from or relate to (a) the Customer Data or Customer's use of the Services (in the case of Customer as Indemnitor and solely to the extent not specifically prohibited by applicable law), (b) any claim that the Services (in the case of Surfline as Indemnitor), infringes, violates, or misappropriates any third party intellectual property or

proprietary right, or (c) an injury (as defined by California Government Code Section 810.8) occurring by reason of the negligent acts or omissions or willful misconduct of the indemnifying party, its officers, board members, employees or agents, under or in connection with or arising out of any work, authority or jurisdiction delegated to such party under this Agreement. Each Indemnitor's indemnification obligations hereunder shall be conditioned upon the Indemnitee providing the Indemnitor with: (x) prompt written notice of any claim (provided that a failure to provide such notice shall only relieve the Indemnitor of its indemnity obligations if the Indemnitor is materially prejudiced by such failure); (y) the option to assume sole control over the defense and settlement of any claim (provided that the Indemnitee may participate in such defense and settlement at its own expense); and (z) reasonable information and assistance in connection with such defense and settlement (at the Indemnitor's expense). The foregoing obligations of Surfline do not apply with respect to the Services or any information, technology, materials or data (or any portions or components of the foregoing) to the extent (i) not created or provided by Surfline (including without limitation any Customer Data), (ii) made in whole or in part in accordance to Customer specifications, (iii) modified after delivery by Surfline, (iv) combined with other products, processes or materials not provided by Surfline (where the alleged Losses arise from or relate to such combination), (v) where Customer continues allegedly infringing activity after being notified thereof or after being informed of modifications that would have avoided the alleged infringement, or (vi) Customer's use of the Services is not strictly in accordance herewith.

13. Disclaimer. TO THE FULLEST EXTENT PERMITTED BY LAW, SURFLINE HEREBY DISCLAIMS (FOR ITSELF AND ITS LICENSORS) ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED, ORAL OR WRITTEN, WITH RESPECT TO THE SERVICES, ANY RESULTS OF THE SERVICES OR ANY ACTION OR OMISSION BY CUSTOMER OR ANYONE ELSE BASED ON THE USE OF THE SERVICES INCLUDING, WITHOUT LIMITATION, ALL IMPLIED WARRANTIES OF TITLE, NON-INFRINGEMENT, QUIET ENJOYMENT, INTEGRATION, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE AND ALL WARRANTIES ARISING FROM ANY COURSE OF DEALING, COURSE OF PERFORMANCE OR USAGE OF TRADE. SURFLINE AND ITS LICENSORS DO NOT REPRESENT OR WARRANT THAT (A) THE USE OF THE SERVICES WILL BE SECURE, TIMELY, UNINTERRUPTED OR ERROR-FREE or (B) THE SERVICES OR ANY RESULTS OF THE SERVICES WILL MEET REQUIREMENTS OR EXPECTATIONS, EXCEPT AS SET FORTH ABOVE, THE SERVICES ARE PROVIDED STRICTLY ON AN "AS IS" BASIS. WITHOUT LIMITING THE FOREGOING, CUSTOMER ACKNOWLEDGES AND AGREES THAT THE SERVICES MAY OPERATE ON THIRD PARTY ARTIFICIAL INTELLIGENCE-POWERED TOOLS ("THIRD PARTY AI MODELS") AND SURFLINE DOES NOT TEST, VERIFY, ENDORSE OR GUARANTEE TO BE ACCURATE, COMPLETE OR CURRENT ANY SUCH THIRD PARTY AI MODELS OR ANY RESULTS OF THE SERVICES. CUSTOMER SHOULD INDEPENDENTLY REVIEW AND VERIFY ALL RESULTS FROM THE SERVICES AS TO APPROPRIATENESS FOR ANY OR ALL CUSTOMER USE CASES OR APPLICATIONS.
14. Limitation of Liability. EXCEPT FOR THE PARTIES' INDEMNIFICATION OBLIGATIONS UNDER CLAUSE 12(C) AND FOR CUSTOMER'S BREACH OF SECTION 7, AND AS SPECIFICALLY PROHIBITED BY APPLICABLE LAW, IN NO EVENT SHALL EITHER PARTY, NOR ITS DIRECTORS, EMPLOYEES, AGENTS, PARTNERS, SUPPLIERS OR CONTENT PROVIDERS, BE LIABLE UNDER CONTRACT, TORT, STRICT LIABILITY, NEGLIGENCE OR ANY OTHER LEGAL OR EQUITABLE THEORY WITH RESPECT TO THE SUBJECT MATTER OF THIS AGREEMENT (A) FOR ANY LOST PROFITS, DATA LOSS, COST OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES, OR SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES OF ANY KIND WHATSOEVER, SUBSTITUTE GOODS OR SERVICES (HOWEVER ARISING), (B) FOR ANY BUGS, VIRUSES, TROJAN HORSES, OR THE LIKE (REGARDLESS OF THE SOURCE OF ORIGIN), OR (C) FOR ANY DIRECT DAMAGES IN EXCESS OF (IN THE AGGREGATE) THE FEES PAID (OR PAYABLE) BY CUSTOMER TO SURFLINE HEREUNDER IN THE TWELVE (12) MONTHS PRIOR TO THE EVENT GIVING RISE TO A CLAIM HEREUNDER ("GENERAL CAP"). A PARTY'S INDEMNIFICATION OBLIGATIONS UNDER CLAUSE 12(A) AND 12(B) SHALL NOT EXCEED (IN THE AGGREGATE) THREE TIMES (3X) THE GENERAL CAP. NO PARTY, NOR ANY OFFICER, BOARD MEMBER, EMPLOYEE OR AGENT THEREOF SHALL BE RESPONSIBLE FOR ANY DAMAGE OR LIABILITY OCCURRING BY REASON OF THE NEGLIGENT ACTS OR OMISSIONS OR WILLFUL MISCONDUCT OF THE OTHER PARTY, OR ITS OFFICERS, BOARD MEMBERS, EMPLOYEES OR AGENTS, UNDER OR IN CONNECTION WITH OR ARISING OUT OF ANY WORK, AUTHORITY OR JURISDICTION DELEGATED TO SUCH OTHER PARTIES UNDER THIS AGREEMENT, EXCEPT TO THE EXTENT OF SUCH PARTY'S OWN NEGLIGENT ACTS OR OMISSIONS OR WILLFUL MISCONDUCT.
15. Miscellaneous. This Agreement (including all Order Forms) represents the entire agreement between Customer and Surfline with respect to the subject matter hereof and supersedes all prior or contemporaneous communications and proposals (whether oral, written or electronic) between Customer and Surfline with respect thereto. In the event of any conflict between these Terms and an Order Form, the Order Form shall control. The Agreement shall be governed by and construed in accordance with the laws of the State of California, excluding its conflicts of law rules, and the parties consent to exclusive jurisdiction and venue in the state and federal courts located in Orange County, California. All notices under this Agreement shall be in

writing and shall be deemed to have been duly given when received, if personally delivered or sent by certified or registered mail, return receipt requested; when receipt is electronically confirmed, if transmitted by facsimile or e-mail; or the day after it is sent, if sent for next day delivery by recognized overnight delivery service. Notices must be sent to the contacts for each party set forth on the Order Form. Either party may update its address set forth above by giving notice in accordance with this section. Except as otherwise provided herein, any provision of this Agreement may be amended or waived only by a writing executed by both parties. Except for payment obligations, neither party shall be liable for any failure to perform its obligations hereunder where such failure results from any cause beyond such party's reasonable control, including, without limitation, the elements; fire; flood; severe weather; earthquake; vandalism; accidents; sabotage; power failure; denial of service attacks or similar attacks; Internet failure; acts of God and the public enemy; acts of war; acts of terrorism; riots; civil or public disturbances; strikes lock-outs or labor disruptions; hosting facility failures, including the inability to secure or maintain access to third party property where Equipment is installed; any laws, orders, rules, regulations, acts or restraints of any government or governmental body or authority, civil or military, including the orders and judgments of courts. Neither party may assign any of its rights or obligations hereunder without the other party's consent; provided that Surflin may assign all of its rights and obligations hereunder without such consent to a successor-in-interest in connection with a sale of substantially all of its business relating to this Agreement, and Surflin may utilize subcontractors in the performance of its obligations hereunder. Customer agrees that Surflin may use Customer's name and logo to refer to Customer as a customer of Surflin on its website and in marketing materials and prepare and publish case studies related to Customer's use of the Services. No agency, partnership, joint venture, or employment relationship is created as a result of this Agreement and neither party has any authority of any kind to bind the other in any respect. In any action or proceeding to enforce rights under this Agreement, the prevailing party shall be entitled to recover costs and attorneys' fees. If any provision of this Agreement is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make it enforceable. The failure of either party to act with respect to a breach of this Agreement by the other party shall not constitute a waiver and shall not limit such party's rights with respect to such breach or any subsequent breaches.

6. **INDEPENDENT CONTRACTOR.** It is mutually understood and agreed that CONTRACTOR, (including any and all of its officers, agents, and employees), shall perform all of its services under this Agreement as an independent contractor as to BEACON and not as an officer, agent, servant, employee, joint venturer, partner, or associate of BEACON. Furthermore, BEACON shall have no right to control, supervise, or direct the manner or method by which CONTRACTOR shall perform its work and function. However, BEACON shall retain the right to administer this Agreement so as to verify that CONTRACTOR is performing its obligations in accordance with the terms and conditions hereof. CONTRACTOR understands and acknowledges that it shall not be entitled to any of the benefits of a BEACON employee, including but not limited to vacation, sick leave, administrative leave, health insurance, disability insurance, retirement, unemployment insurance, workers' compensation and protection of tenure. Permits and/or licenses shall be obtained and maintained by CONTRACTOR without additional compensation.
8. **TAXES.** CONTRACTOR shall pay all taxes, levies, duties, and assessments of every nature due in connection with any work under this Agreement and shall make any and all payroll deductions required by law. BEACON shall not be responsible for paying any taxes on CONTRACTOR's behalf and, should BEACON be required to do so by State, federal, or local

taxing agencies, CONTRACTOR agrees to promptly reimburse BEACON for the full value of such paid taxes plus interest and penalty, if any. These taxes shall include, but not be limited to, the following: FICA (Social Security), unemployment insurance contributions, income tax, disability insurance, and workers' compensation insurance. CONTRACTOR shall provide its social security number or tax identification number to BEACON, which BEACON shall keep on file at its offices.

CONTRACTOR further covenants that in the performance of this Agreement, no person having any such interest shall be employed by CONTRACTOR. CONTRACTOR must promptly disclose to BEACON, in writing, any potential conflict of interest. BEACON retains the right to waive a conflict of interest disclosed by CONTRACTOR if BEACON determines it to be immaterial, and such waiver is only effective if provided by BEACON to CONTRACTOR in writing.

10. **OWNERSHIP OF DOCUMENTS AND INTELLECTUAL PROPERTY.**

A. BEACON shall be the owner of the following items incidental to this Agreement upon production, whether or not completed: all data collected, all documents of any type whatsoever, all photos, designs, sound or audiovisual recordings, software code, inventions, technologies, and other materials, and any material necessary for the practical use of such items from the time of collection and/or production whether or not performance under this Agreement is completed or terminated prior to completion. CONTRACTOR shall not release any of such items to other parties, except after prior written approval of BEACON.

B. Unless otherwise specified in Exhibit A, CONTRACTOR hereby assigns to BEACON all copyright, patent, and other intellectual property and proprietary rights to all data, documents, reports, photos, designs, sound or audiovisual recordings, software code, inventions, technologies, and other materials prepared or provided by CONTRACTOR pursuant to this Agreement (collectively referred to herein as "Copyrightable Works and Inventions").

C. BEACON shall have the unrestricted authority to copy, adapt, perform, display, publish, disclose, distribute, create derivative works from, and otherwise use in whole or in part, any Copyrightable Works and Inventions reports, data, documents or other materials prepared under this Agreement. CONTRACTOR agrees to take such actions and execute and deliver such documents as may be needed to validate, protect and confirm the rights and assignments provided hereunder. CONTRACTOR warrants that any Copyrightable Works and Inventions and other items provided under this Agreement will not infringe upon any intellectual property or proprietary rights of any third party. CONTRACTOR at its own expense shall defend, indemnify, and hold harmless

BEACON against any claim that any Copyrightable Works or Inventions or other items provided by CONTRACTOR hereunder infringe upon any intellectual property or other proprietary rights of a third party, and CONTRACTOR shall pay any damages, costs, settlement amounts, and fees (including attorneys' fees) that may be incurred by BEACON in connection with any such claims. This Ownership of Documents and Intellectual Property provision shall survive expiration or termination of the Agreement.

11. **NO PUBLICITY OR ENDORSEMENT.** CONTRACTOR shall not use BEACON's name or logo or any variation of such name or logo in any publicity, advertising or promotional materials, unless otherwise required. CONTRACTOR shall not use BEACON's name or logo in any manner that would give the appearance that the BEACON is endorsing CONTRACTOR. CONTRACTOR shall not in any way contract on behalf of or in the name of BEACON's. CONTRACTOR shall not release any informational pamphlets, notices, press releases, research reports, or similar public notices concerning BEACON or its projects without obtaining the prior written approval of BEACON.

12. **BEACON PROPERTY AND INFORMATION.**

A. All of BEACON's property, documents, information, and data provided to or accessed by or on behalf of CONTRACTOR in connection with the services, including, without limitation, all data collected, used, maintained, processed, stored, or generated by or on behalf of BEACON in connection with this Agreement (collectively, the "BEACON Property") and any derivative works of the BEACON Property shall remain BEACON's Property, and CONTRACTOR shall return, delete, or destroy BEACON Property whenever requested by BEACON and whenever required in accordance with the Termination section of this Agreement. If BEACON requests deletion or destruction of BEACON data or other BEACON Property, CONTRACTOR shall certify in writing to BEACON that such data or BEACON Property has been deleted or destroyed. Within ten (10) days of a written request by BEACON, CONTRACTOR and its agents or subcontractors shall allow BEACON to conduct a reasonable inspection of the facilities, systems, books, records, agreements, policies and procedures relating to the use or disclosure of BEACON Property pursuant to this Agreement for the purpose of determining whether CONTRACTOR has complied with this Agreement.

B. CONTRACTOR may use BEACON Property solely for the purpose of, and only to the extent necessary for, CONTRACTOR's provision of the services hereunder. CONTRACTOR shall not disclose, disseminate, publish, or transfer to any third party, any BEACON Property without BEACON prior written consent. CONTRACTOR shall implement appropriate safeguards as are necessary to prevent the use or disclosure of BEACON Property otherwise than as permitted by this Agreement, including, but not limited to, administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the BEACON Property.

13. **RECORDS, AUDIT, AND REVIEW.**

- A. CONTRACTOR shall keep such business records pursuant to this Agreement as would be kept by a reasonably prudent practitioner of CONTRACTOR's profession and shall maintain such records for at least four (4) years following the termination of this Agreement. All accounting records shall be kept in accordance with generally accepted accounting practices. BEACON shall have the right to audit and review all such documents and records at any time during CONTRACTOR's regular business hours or upon reasonable notice. In addition, if this Agreement exceeds ten thousand dollars (\$10,000.00) CONTRACTOR shall be subject to the examination and audit of the State Auditor General for a period of three (3) years after final payment under the Agreement (Cal. Govt. Code Section 8546.7). CONTRACTOR shall participate in any audits and review, whether by BEACON or the State, at no charge to BEACON.
- B. If federal, state or other regulatory audit exceptions are made relating to this Agreement, CONTRACTOR shall reimburse the amount of the audit exceptions and all costs incurred by BEACON associated with defending against the audit exceptions or performing any audits or follow-up audits, including but not limited to: audit fees, court costs, attorneys' fees based upon a reasonable hourly amount for attorneys in the community, travel costs, penalty assessments and all other costs of whatever nature. Immediately upon notification from BEACON, CONTRACTOR shall reimburse the amount of the audit exceptions and any other related costs directly to BEACON as specified by BEACON in the notification. This Records, Audit, and Review clause shall survive expiration or termination of this Agreement.

14. **INDEMNIFICATION AND INSURANCE.** CONTRACTOR agrees to and shall comply with the indemnification and insurance provisions as set forth in BEACON Exhibit C attached hereto and incorporated herein by reference.

15. **NONDISCRIMINATION.** CONTRACTOR shall not discriminate against any person on the basis of sex, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition (cancer), age (over 40), marital status, and denial of family care leave in the use of any property or facility acquired or developed pursuant to this Agreement. CONTRACTOR shall not discriminate against any person on the basis of residence except to the extent that reasonable difference in admission or other fees may be maintained on the basis of residence and pursuant to law

16. **NON-EXCLUSIVE AGREEMENT.** CONTRACTOR understands that this is not an exclusive Agreement and that BEACON shall have the right to negotiate with and enter into contracts with others providing the same or similar services as those provided by CONTRACTOR as the BEACON desires.

17. **NON-ASSIGNMENT.** CONTRACTOR shall not assign, transfer or subcontract this Agreement or any of its rights or obligations under this Agreement without the prior written

consent of BEACON and any attempt to so assign or so subcontract or transfer without such consent shall be void and without legal effect and shall constitute grounds for termination.

18. **TERMINATION.**

A. **By BEACON.** BEACON may, by written notice to CONTRACTOR, terminate this Agreement in whole or in part, whether for BEACON's convenience, for non-appropriation of funds, or because of the failure of CONTRACTOR to fulfill the obligations herein.

i. **For Convenience.** BEACON may terminate this Agreement in whole or in part upon thirty (30) days written notice. During the thirty (30) day period, CONTRACTOR shall, as directed by BEACON, wind down and cease its services as quickly and efficiently as reasonably possible, without performing unnecessary services or activities and by minimizing negative effects on BEACON from such winding down and cessation of services.

ii. **For Nonappropriation of Funds.** Notwithstanding any other provision of this Agreement, in the event that no funds or insufficient funds are appropriated or budgeted by federal, state or local governments, or sufficient funds are not otherwise available for payments in the fiscal year(s) covered by the term of this Agreement, then BEACON will notify CONTRACTOR of such occurrence and BEACON may terminate or suspend this Agreement in whole or in part, with or without a prior notice period. Subsequent to termination of this Agreement under this provision, BEACON shall have no obligation to make payments with regard to the remainder of the term.

iii. **For Cause.** Should CONTRACTOR default in the performance of this Agreement or materially breach any of its provisions, BEACON may, at BEACON's sole option, terminate or suspend this Agreement in whole or in part by written notice. Upon receipt of notice, CONTRACTOR shall immediately discontinue all services affected (unless the notice directs otherwise) and notify BEACON as to the status of its performance. The date of termination shall be the date the notice is received by CONTRACTOR, unless the notice directs otherwise.

B. **By CONTRACTOR.** Except where BEACON withholds payment pursuant to other terms of this Agreement, should BEACON fail to pay CONTRACTOR all or any part of the payment set forth in Exhibit B, CONTRACTOR may, at CONTRACTOR's option, terminate this agreement, if such failure is not remedied by BEACON within thirty (30) days of written notice to BEACON of such late payment.

C. **Upon termination,** CONTRACTOR shall deliver to BEACON all data, estimates, graphs, summaries, reports, and all other BEACON Property, records, documents or papers as may have been accumulated or produced by CONTRACTOR in performing

this Agreement, whether completed or in process, except such items as BEACON may, by written permission, permit CONTRACTOR to retain. If BEACON requests deletion or destruction of BEACON data or other BEACON Property, CONTRACTOR shall certify in writing to BEACON that such data or BEACON Property has been deleted or destroyed. Notwithstanding any other payment provision of this Agreement, BEACON shall pay CONTRACTOR for satisfactory services performed to the date of termination to include a prorated amount of compensation due hereunder less payments, if any, previously made. In no event shall CONTRACTOR be paid an amount in excess of the full price under this Agreement nor for profit on unperformed portions of service. CONTRACTOR shall furnish to BEACON such financial information as in the judgment of BEACON is necessary to determine the reasonable value of the services rendered by CONTRACTOR. In the event of a dispute as to the reasonable value of the services rendered by CONTRACTOR, the decision of BEACON shall be final. The foregoing is cumulative and shall not affect any right or remedy which BEACON may have in law or equity.

19. **SECTION HEADINGS.** The headings of the several sections, and any table of contents appended hereto, shall be solely for convenience of reference and shall not affect the meaning, construction or effect hereof.
20. **SEVERABILITY.** If any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, then such provision or provisions shall be deemed severable from the remaining provisions hereof, and such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.
21. **REMEDIES NOT EXCLUSIVE.** No remedy herein conferred upon or reserved to BEACON is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.
22. **TIME IS OF THE ESSENCE.** Time is of the essence in this Agreement and each covenant and term is a condition herein.
23. **NO WAIVER OF DEFAULT.** No delay or omission of BEACON to exercise any right or power arising upon the occurrence of any event of default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Agreement to BEACON shall be exercised from time to time and as often as may be deemed expedient in the sole discretion of BEACON.
24. **ENTIRE AGREEMENT AND AMENDMENT.** In conjunction with the matters considered herein, this Agreement, including all Exhibits and attachments hereto, contains the entire understanding and agreement of the parties with respect to the subject matter hereof, and there have been no promises, representations, agreements, warranties or undertakings by

any of the parties, either oral or written, of any character or nature hereafter binding except as set forth herein. This Agreement may be altered, amended or modified only by an instrument in writing, duly executed by the parties to this Agreement and by no other means. Each party waives its future right to claim, contest or assert that this Agreement was modified, canceled, superseded, or changed by any oral agreements, course of conduct, waiver or estoppel.

25. **SUCCESSORS AND ASSIGNS.** This Agreement is binding on and inures to the benefit the Parties and its respective successors and assigns.
26. **COMPLIANCE WITH LAW.** CONTRACTOR shall, at its sole cost and expense, comply with all applicable BEACON, State and Federal ordinances and statutes, including regulations now in force or which may hereafter be in force. The judgment of any court of competent jurisdiction, or the admission of CONTRACTOR in any action or proceeding against CONTRACTOR, whether BEACON is a party thereto or not, that CONTRACTOR has violated any such ordinance statute, or regulation, shall be conclusive of that fact as between CONTRACTOR and BEACON.
27. **CALIFORNIA LAW AND JURISDICTION.** This Agreement shall be governed by the laws of the State of California. Any litigation regarding this Agreement or its contents shall be filed in the County of Santa Barbara, if in State court, or in the federal district court nearest to Santa Barbara County, if in federal court.
28. **EXECUTION OF COUNTERPARTS.** This Agreement may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original; and all such counterparts, or as many of them as the parties shall preserve undestroyed, shall together constitute one and the same instrument.
29. **AUTHORITY.** All signatories and parties to this Agreement warrant and represent that they have the power and authority to enter into this Agreement in the names, titles and capacities herein stated and on behalf of any entities, persons, or firms represented or purported to be represented by such entity(ies), person(s), or firm(s) and that all formal requirements necessary or required by any State and/or federal law in order to enter into this Agreement have been fully complied with. Furthermore, by entering into this Agreement, CONTRACTOR hereby warrants that it shall not have breached the terms or conditions of any other contract or agreement to which CONTRACTOR is obligated, which breach would have a material effect hereon.
30. **SURVIVAL.** All provisions of this Agreement which by their nature are intended to survive the termination or expiration of this Agreement shall survive such termination or expiration.
31. **PRECEDENCE.** In the event of conflict between the provisions contained in the numbered sections of this Agreement and the provisions contained in the Exhibits, the provisions of the numbered sections shall prevail over those in the Exhibits.

32. **IMMATERIAL AMENDMENTS.** CONTRACTOR and BEACON agree that immaterial changes to the Agreement such as updating the Designated Representative, addresses for notices, or other clerical error corrections which will not result in a material change to the Agreement, Statement of Work, or total contract amount may be authorized by BEACON's Executive Director, or designee, in writing, and in accordance with Section 25.
33. **NO CONSTRUCTION AGAINST ANY DRAFTING PARTY.** This Agreement shall not be construed for or against any party based on which party drafted this Agreement, and each party had the opportunity to review this Agreement with its respective legal counsel to the party's satisfaction. (see Cal. Civ. Code § 1654.)
34. **SUBSEQUENT CONTRACTS.** CONTRACTOR's duties and services under this Agreement shall not include preparing or assisting BEACON with any portion of BEACON's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with BEACON. BEACON shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. CONTRACTOR's participation in the planning, discussions, or drawing of project plans or specifications shall be limited to conceptual, preliminary, or initial plans or specifications. CONTRACTOR shall cooperate with BEACON to ensure that all bidders for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by CONTRACTOR pursuant to this Agreement. (see Cal. Gov. Code § 1097.6.)
35. **NEWS RELEASES/INTERVIEWS.** CONTRACTOR agrees for itself, its agents, employees, and subcontractors, that it will not communicate with the media concerning the subject matter of this Agreement without prior written approval of the BEACON Designated Representative. This prohibition does not preclude the Contractor from participating in public outreach or communications efforts specifically required under this Agreement, provided such activities are planned and receive written approval from BEACON. CONTRACTOR further agrees to refer all media requests to the BEACON Designated Representative and to coordinate the release of any public-facing materials, including news releases, interviews, press statements, or promotional content, to ensure consistency, accuracy, and alignment with BEACON's communication protocols.
36. **PROCUREMENT OF RECOVERED MATERIALS (2 CFR § 200.323).**
- A. CONTRACTOR must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976 as amended, 42 U.S.C. 6962. The requirements of Section 6002 include procuring only items designated in the guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in

the EPA guidelines.

- B. CONTRACTOR should, to the greatest extent practicable and consistent with law, purchase, acquire, or use products and services that can be reused, refurbished, or recycled; contain recycled content, are biobased, or are energy and water efficient; and are sustainable. This may include purchasing compostable items and other products and services that reduce the use of single-use plastic products. See Executive Order 14057, section 101, Policy.

37. **CHANGES.**

A. **Notice.** The primary purpose of this clause is to obtain prompt reporting of BEACON conduct that CONTRACTOR considers to constitute a change to this Agreement. Except for changes identified in writing and signed by BEACON, the CONTRACTOR shall notify the BEACON in writing promptly, within five (5) calendar days from the date that the CONTRACTOR identifies any Government conduct (including actions, inactions, and written or oral communications) that the CONTRACTOR regards as a change to the contract terms and conditions. On the basis of the most accurate information available to the CONTRACTOR, the notice shall state:

- i. The date, nature, and circumstances of the conduct regarded as a change;
- ii. The name, function, and activity of each Government individual and CONTRACTOR official or employee involved in or knowledgeable about such conduct;
- iii. The identification of any documents and the substance of any oral communication involved in such conduct;
- iv. In the instance of alleged acceleration of scheduled performance or delivery, the basis upon which it arose;
- v. The particular elements of contract performance for which CONTRACTOR may seek an equitable adjustment under this clause, including:
 - What line items have been or may be affected by the alleged change;
 - What labor or materials or both have been or may be added, deleted, or wasted by the alleged change;
 - To the extent practicable, what delay and disruption in the manner and sequence of performance and effect on continued performance have been or may be caused by the alleged change;
 - What adjustments to contract price, delivery schedule, and other

provisions affected by the alleged change are estimated; and

- vi. CONTRACTOR'S estimate of the time by which BEACON must respond to CONTRACTOR'S notice to minimize cost, delay or disruption of performance.

B. **Continued Performance.** Following submission of the required notice, CONTRACTOR shall diligently continue performance of this Agreement to the maximum extent possible in accordance with its terms and conditions as construed by the CONTRACTOR.

C. **BEACON Response.** BEACON shall promptly, within ten (10) calendar days after receipt of notice, respond to the notice in writing. In responding, BEACON shall either:

- i. Confirm that the conduct of which CONTRACTOR gave notice constitutes a change and when necessary direct the mode of further performance;
- ii. Countermand any communication regarded as a change;
- iii. Deny that the conduct of which CONTRACTOR gave notice constitutes a change and when necessary direct the mode of further performance; or
- iv. In the event the Contractor's notice information is inadequate to make a decision, advise CONTRACTOR what additional information is required, and establish the date by which it should be furnished and the date thereafter by which BEACON will respond.

D. **Equitable Adjustments.**

- i. If the BEACON confirms that BEACON conduct effected a change as alleged by the CONTRACTOR, and the conduct causes an increase or decrease in the CONTRACTOR'S cost of, or the time required for, performance of any part of the work under this Agreement, whether changed or not changed by such conduct, an equitable adjustment shall be made --
 - In the contract price or delivery schedule or both; and
 - In such other provisions of the Agreement as may be affected.
- ii. The Agreement shall be modified in writing accordingly. The equitable adjustment shall not include increased costs or time extensions for delay resulting from CONTRACTOR'S failure to provide notice or to continue performance as provided herein.

38. **ACCESS TO RECORDS.** The following access to records requirements apply to this Agreement:

- A. CONTRACTOR agrees to provide BEACON, State Agencies, and the Federal Agency which provided funds in support of this Agreement, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the CONTRACTOR which are directly pertinent to this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions.
 - B. CONTRACTOR agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.
 - C. CONTRACTOR agrees to provide the Federal Agency which provided funds in support of this Agreement or its authorized representatives access to construction or other work sites pertaining to the work being completed under the Agreement.
39. **USE OF FEDERAL AGENCY LOGOS.** CONTRACTOR shall not use the seal(s), logos, crests, or reproductions of flags or likenesses of any Federal Agency without specific pre-approval.
40. **COMPLIANCE WITH FEDERAL LAWS, REGULATIONS, AND EXECUTIVE ORDERS.** This is an acknowledgement that federal financial assistance will be used to fund this Agreement. CONTRACTOR will only use federal funds as authorized herein. CONTRACTOR will comply will all applicable federal law, regulations, executive orders, federal policies, procedures, and directives.
41. **NO OBLIGATION BY FEDERAL GOVERNMENT.** The Federal Government is not a party to this Agreement and is not subject to any obligations or liabilities to the non-Federal entity, CONTRACTOR, or any other party pertaining to any matter resulting from the Agreement.
42. **PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS.** CONTRACTOR acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the CONTRACTOR'S actions pertaining to this Agreement.
43. **DOMESTIC PREFERENCES FOR PROCUREMENTS (2 CFR § 200.322).**
- A. CONTRACTOR should, to the greatest extent practicable and consistent with law, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards, contracts, and purchase orders under Federal awards.
 - B. For purposes of this section:
 - i. "Produced in the United States" means, for iron and steel products, that all

manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

- ii. “Manufactured products” means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

44. **PROHIBITION ON CERTAIN TELECOMMUNICATIONS AND VIDEO SURVEILLANCE SERVICES OR EQUIPMENT (2 CFR § 200.216).**

A. CONTRACTOR is prohibited from obligating or expending loan or grant funds to:

- i. Procure or obtain covered telecommunications equipment or services;
- ii. Extend or renew a contract to procure or obtain covered telecommunications equipment or services; or
- iii. Enter into a contract (or extend or renew a contract) to procure or obtain covered telecommunications equipment or services.

B. As described in section 889 of [Public Law 115-232](#), “covered telecommunications equipment or services” means any of the following:

- i. Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities);
- ii. For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities);
- iii. Telecommunications or video surveillance services provided by such entities or using such equipment;
- iv. Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country;

C. For the purposes of this section, “covered telecommunications equipment or services” also includes systems that use covered telecommunications equipment or

services as a substantial or essential component of any system, or as critical technology as part of any system.

- D. In implementing the prohibition under section 889 of [Public Law 115-232](#), heads of executive agencies administering loan, grant, or subsidy programs must prioritize available funding and technical support to assist affected businesses, institutions, and organizations as is reasonably necessary for those affected entities to transition from covered telecommunications equipment or services, to procure replacement equipment or services, and to ensure that communications service to users and customers is sustained.
- E. CONTRACTOR certifies that it will comply with the prohibition on covered telecommunications equipment and services in this section. CONTRACTOR is not required to certify that funds will not be expended on covered telecommunications equipment or services beyond the certification provided upon accepting grant funding and those provided upon submitting payment requests and financial reports.

[This area intentionally left blank.]

EXHIBIT C
Indemnification and Insurance Requirements
(For Service Contracts Not Requiring Professional Liability Insurance)

INDEMNIFICATION

CONTRACTOR agrees to indemnify, defend (with counsel reasonably approved by BEACON) and hold harmless BEACON and its officers, officials, employees, agents and volunteers from and against any and all claims, actions, losses, damages, judgments and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person or entity and for any costs or expenses (including but not limited to attorneys' fees) incurred by BEACON on account of any claim except where such indemnification is prohibited by law. CONTRACTOR's indemnification obligation applies to BEACON's active as well as passive negligence but does not apply to BEACON's sole negligence or willful misconduct.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

CONTRACTOR shall notify BEACON immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

INSURANCE

CONTRACTOR shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the CONTRACTOR, his agents, representatives, employees or subcontractors.

A. Minimum Scope of Insurance of coverage shall be at least as broad as:

- i. **Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.
- ii. **Automobile Liability:** ISO Form Number CA 00 01 covering any auto (Code 1), or if CONTRACTOR has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than \$500,000 per accident for bodily injury and property damage.
- iii. **Workers' Compensation:** as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.

If the CONTRACTOR maintains higher limits than the minimums shown above, the BEACON requires and shall be entitled to coverage for the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the BEACON.

B. Other Insurance Provisions: The insurance policies are to contain, or be endorsed to contain, the following provisions:

- i. **Additional Insured** – BEACON, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR's insurance at least as broad as ISO Form CG

20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used).

- ii. **Primary Coverage** – For any claims related to this Agreement, the CONTRACTOR’s insurance coverage shall be primary insurance as respects the BEACON, its officers, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by the BEACON, its officers, officials, employees, agents or volunteers shall be excess of the CONTRACTOR’s insurance and shall not contribute with it.
- iii. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the BEACON.
- iv. **Waiver of Subrogation Rights** – CONTRACTOR hereby grants to BEACON a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against the BEACON by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the BEACON has received a waiver of subrogation endorsement from the insurer.
- v. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the BEACON. The BEACON may require the CONTRACTOR to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
- vi. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best’s Insurance Guide rating of “A- VII”.
- vii. **Verification of Coverage** – CONTRACTOR shall furnish the BEACON with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the BEACON before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR’s obligation to provide them. The CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The BEACON reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
- viii. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, BEACON has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by BEACON as a material breach of contract.
- ix. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that BEACON is an additional insured on insurance required from subcontractors.
- x. **Special Risks or Circumstances** – BEACON reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt. Any failure, actual or alleged, on the part of BEACON to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of BEACON.
